Hi George,

Based on the received signed access agreement early this week I am doing coordinations to start mobilization to Cabo Rojo on Monday February 18th, 2013. If this is not appropriate based on the need to sign the mentioned permit please let me know today so I can plan accordingly. I do have access to the facility from a previous visit with one of your representatives. Is this permit different from the access agreement?

Thanks,

Frances Delano, P.G.

The information below for Frances is correct. She will be the person in charge of the keys/permit.

George!

I apologize for the delay.

I surmise that Frances Delano, P.G., Environmental Specialist from CDM Smith will be the person to receive and sign the permit. I will confirm this information throughout the day.

Her info is as follows: 1225 Ave. Ponce de Leon, VIG Tower Suite 603, San Juan, PR 00907, Tel: 787.722.5412
Fax: 787.722.6607 Cel: 787.425.7602, email: delanof@cdmsmith.com | cdmsmith.com

She will contact you to coordinate date, time, access and exchange of keys to the building's gate.
